TASTE OF CLAREMONT

ROTARY CLUB of CLAREMONT

January 20, 2025

Dear Friend of Claremont Rotary,

On Saturday, April 26, 2025, the Rotary Club of Claremont will present the 24th Annual Taste of Claremont (TOC) at The Claremont Colleges Services building. Over the first 23 years of this event, we netted more than \$1,000,000. Our TOC in 2024 was enjoyed by about 1000 attendees. Together we raised over \$100,000 for the Claremont Rotary Foundation, which directly benefits charitable organizations both in our community and around the world. With your support, we anticipate that the 2025 Taste of Claremont will be just as successful. Your support for one of Claremont's most anticipated and popular events of the year will be sincerely appreciated.

This year's Taste of Claremont will feature 40 or more restaurants, breweries, and wineries from which to sample. The event will also feature a raffle offering a variety of prizes. Live music will keep the mood festive..

The following is a list of community, Youth & Education and International projects and organizations receiving support from the Claremont Rotary Foundation. Currently, there are other worthy proposals for support under review by our Board which will expand the list of organizations and projects well past 30.

TASTE OF CLAREMONT

Taste of Claremont Program Ad Guidelines

Ad Color: - 4 Color

AD SIZES:

Full Page with Bleed: 7" wide by 8 1/2" (Bleeds- Add a quarter of an inch (1/4") to each dimension to allow for cutting. For example, this 7" x 8 1/2" ad should be submitted at 7 1/4" x 8 3/4". This will give us a 1/8" on each edge of the ad which will be trimmed off during the cutting process. This will leave you a 7" x 8 1/2" ad.

Full Page *without* Bleed: 6" x 1/2" wide by 8" tall (this allows for 1/4" white border).

Half Page: 6 1/2" wide by 3 5/8" tall.

Quarter Page: 3 1/8" wide by 3 5/8" tall.

Eighth Page or Business Card: 3 1/8" wide by 1 3/4" tall (business cards will be scanned and scaled to fit into this space).

Ads submitted by digital files are preferred and will yield the best results. If camera ready art or business card is submitted, we will scan and do the best we can.

Digital Files

Preferred File Type: Adobe PDF, High-res JPG or Tiff (use cmyk color space).

Acceptable File Types: JPG, GIF, TIF (saved in "PC byte order"), PSD (Photoshop® file [note: PC compatible font files must be included if submitting PSD files), PDF (Photoshop® or Acrobat® [fonts must be embedded]). Note: These are the recommended file types. We can accommodate most PC compatible file types. Please ask us if you would like to submit a file type not listed above.

Resolution: Minimum 300 dpi is recommended. We accept files between 200 and 600 dpi. Submitting artwork under 300 dpi may produce an ad of less-than-optimal quality. (Please Note: 1-most images found on the web are 72 dpi and therefore do not have high enough resolution for print work.

2-opening a 72-dpi file and changing it to 300 dpi will not improve the quality of output. 3- if we must enlarge your file, the quality will go down accordingly)

Submission: Files may be emailed to: hsparrownv@gmail.com If your file is larger than 5 megabytes, contact us and we will send you a link to our dropbox account.
